

# FaceTime with \_\_\_\_\_

I know this is a stay-at-home day.

I am staying home. \_\_\_\_\_ is staying home, too.

I can visit another way. I can use FaceTime on the \_\_\_\_\_.

We can see each other's faces! It is weird and it is won-der-ful!

I can say, **"Hi! How are you?"** &   to look.

I can say, **"Today I feel \_\_\_\_\_"**.

circles one *before* the call.

bad

good

sleepy

happy

sick

I can say, **"Tell me something you did today."** &   to look.

Then I can make a choice.

Choice 

Finished.

"Good bye"

or
