

Roll Dice, Write Number

Directions: Play with a partner and take turns.

1. Roll the die and add the numbers.
2. Write that number in the blank box next to its match.
(e.g. if you roll a 6 then write 6 in the box next to 6)
3. Keep going until together your partner and you roll three of the same number. Write that number in the box marked **STOP** and you are finished! Which number will win?
