

Staying Home

D.Guendel Inclusive.com

Life is very different right now. I don't see everyone I usually see.

Lots of people are staying home. 

Staying home is staying healthy because of the Corona virus. 

_____ is staying home.

And _____ are staying home, too.

When the Corona virus is finished, I will be able to have visits again!

It is a long wait, but I can do it! 

Waiting is better than being sick! 

While I wait, I can keep busy.  I can have some fun at my home.
